

## D&T in Year 1

During a Toy workshop the children create their own toy with a moving mechanism

**Summer Term:** Looking at the different **mechanisms** in moving picture books and recreating their own.

**Spring Term:** The children explore a selection of puppets and have a go at creating hand and finger Puppets. They evaluate the best way of joining two pieces of fabric.

**Summer Term:** Designing, making and evaluation structures for different fairy tale characters.
