Sports Premium Funding and PE Development Plan Review 2025 / 2026

Honeywell Infant School

Review 2025/26

Physical Education remains an important part of life at Honeywell Infant School. Children take part in at least two hours of timetabled PE each week, alongside regular opportunities to be physically active during playtimes and lunchtimes.

We recognise the contribution PE makes to children's all-round development, helping them build confidence, teamwork, fair play and respect for themselves and others. Through enjoyable and inclusive experiences, we encourage children to develop healthy, active habits.

We use the Sports Premium to strengthen the quality of PE teaching and widen access to sporting activities and clubs for all pupils. Previous investment has supported teachers' professional development and established a designated sports area for lessons and active play. WE continue to build staff confidence and expertise through opportunities to work alongside specialist coaches, supporting lasting improvements in teaching and provision.

We are committed to using this additional resource in developing high quality PE lesson, alongside greater opportunity for sporting activities for all the children in our school.

Honeywell Infant School Sports Funding Summary 2025/26

Funding for schools to be calculated by the number of primary aged pupils between the ages of 5 and 11.

PE and sport premium received	£17,630
Total expenditure	£18,018
Expenditure above grant allocation	£388

Actions and Targets	Actions to achieve	Funding	Impact	Next steps
Key Indicator 1: *The engagement of all pupils in regular physical activity-The Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.*				
Ensure all children participate in daily activity	• PP children to attend after school sports club free of charge • Buy play time sports equipment to ensure more children are active. • Plan and implement TA led sports activities during playtimes • Maintenance of Sports Area & playground • Safety Inspections and servicing	£800 £2975	• Improved fitness for all pupils • Improved concentration in lessons • Maintained participation of in physical exercise during the school day • Children 's enjoyment and activity in playtimes maintained	• Further training for TA's to ensure playtimes are as active as possible. • TAs to continue to playtime activities and ensure a variety of games are available to children. • Ensure that the playtime equipment available is of a high standard
Key Indicator 2: *The profile of PE and sport is raised across the school*				
Raise awareness of sports and exercise across the school	• Apply for and take part in Mini Marathon • Audit PE resources and order new equipment • Class teachers to have the opportunity to teach alongside Sports Coaches to improve knowledge and skills and to encourage them to be aware of their impact and passion for the subject on their class • Wimbledon Tennis Day to give all children in the school the opportunity to play tennis related activities and learn about the tournament. • Signpost clubs and sporting activities outside school in newsletters and communications	£226 £500 (See below) £50	• The profile of PE and a healthy life style has been raised in the school • Parents have been made more aware of additional sporting events • Teachers feel more confident teaching PE • Children involved in a greater number of additional sporting events • Extracurricular after school sports clubs regularly at capacity • Pupil voice demonstrates that children are able to articulate the PE skills and learning they are practising	• Continue to organise class events to promote PE and healthy living • Continue to share sporting success and information with parents through photo collages, newsletters and magazine articles • Develop further opportunities and training for class teachers to improve their confidence with teaching PE
Key Indicator 3: *Increase confidence, knowledge and skills of all staff in teaching PE and sport*				
Improve the quality of children's physical education to ensure	• Sports Coach in PE lessons for Rec, Year 1 and 2 to ensure quality	**£7410**	• Better quality PE lessons	• Continue to use sports coaches for some PE lessons

they are confident and competent	teaching and develop knowledge and skills • Class teachers to attend PE lessons with coaches to develop their own confidence, knowledge and skills of teaching PE • Specialist gymnastics teacher for Reception, Year 1 and Year 2	**£4320**	• Class teachers more confident about delivering high quality PE lessons • Teachers have a better knowledge of skills • Lessons structure improved and observations demonstrate effective learning • More effective management of children in PE lessons • Assessment data shows that majority of children are meeting or exceeding expectations in PE	• Continue the use of a specialist gymnastics teacher
Key Indicator 4: *Broader experience of a range of sports and activities offered to all pupils*				
Continue to develop a range of clubs and PE opportunities across the school	• Provide 1:1 Sports Mentoring for children facing barriers to their learning and/or well-being • Review after school clubs to ensure a range of sports and activities are on offer • Free after school sports clubs for PP children • Exposing Nursery children to a range of different activities for their Sports Day	**£1008** As above	• Gross motor skills are improved for children who receive additional interventions • Parent voice has shown that they are keen for a wide range of sporting activities to continue during and after the school day	• Continue to develop after school clubs in light of increased demand • Continue provision of free after school sports clubs for PP children
Key Indicator 5: *Increase participation in competitive sport*				
A wide range of children participate in sports with other schools and internal sports events	• Organise sporting events within school • All children from Nursery to Year 2 to participate in Sports Day • Organise sporting celebration days, such as Wimbledon Tennis day, 2025	£729 As above	• The experiences planned were hugely motivational. • Early competition experience has helped prepare children for the junior school • Memorable sporting days created for the children, showcasing their growing skills	• Develop opportunities to work with other schools on multi sports activities
